

Dear Tenant,

We must have your 30 day notice in writing. *Your notice will not become valid until a written and fully executed notice is received by our office.* Make sure to include your forwarding address so final paperwork and any security deposit refund can be returned to you.

If you have decided not to move, please contact us as soon as possible.

You are responsible for 30 days of rent from the date we receive the written and fully executed notice. Please contact our office to verify prorated rent for the month of move out. This rent is due as normal and subject to a late fee if not paid on time. Failure to vacate the property by the date listed on the form may result in a double, daily rental rate charge.

Lease break fees are incurred in accordance with your contract. If you have a lease break fee and you are unable to pay the amount in full before you vacate, please call the office to set up a payment plan.

Unpaid accounts without a valid and active payment plan 60 days after move out may be sent to collections.

Please call us with any questions at 503-485-2600.

Thank you,
